Blessings for the season

This past year has been the World's "annus horribilis", with the COVID-19 pandemic raging around the globe, forcing us to become ever-insular in our outlook. We can but follow the advice of our leaders, and adjust to life confined by caution. Now more than ever we need to have a focus on the real hope and joy Christmas can bring! Despite the state of the World, we in New Zealand have so much to be thankful for.

We are so thankful that we are still in business! We are so thankful that other businesses and organisations continue to support us with their custom. We believe we are privileged

to live and work where we do.

And we are thankful for the stability and joy that is offered to the world in the form of a God-man, Jesus Christ.

Keri and I bless you with God's rich Christmas grace, favour and hope, during this festive season and into the new year.

Summer is here and the holidays are beckoning us all. Let's try to take some of that lockdown "non-activity" into this celebration time, remembering the things that were highlighted as important to our own families, and let's enjoy a wonderful summer together in our beautiful place.
