## Welcome 2021

2020 has certainly been a year of surprises that we won't forget! As we welcome 2021, not really knowing how the year will pan out, perhaps we can take our 2020 experiences with us, to tackle what may lie ahead. The lessons we learned in lockdown hinted at simpler, stress-free lives, kinder communities, and a bit more self-reliance and preparedness. Perhaps a focus on these things going into the new year will replace the resolutions that seldom make it past the first week?

If the number of people on the Peninsula is an indication of the way we as a nation have rallied to support each other, then things are

great! Well done to us all!

But partnered with the crowds, is the pressure that goes on our emergency services and the personnel frontlining them. If appreciation is something we've learned in 2020, then this Summer will be wonderful for our volunteers and paid staff, from the surf life savers at our beaches to the Coastguard crew in the water, to the Police monitoring our roads and neighbourhoods, and the Fire Brigade, St John and LANDSAR teams standing-by, right?

These groups, made up of our friends, family and neighbours, are a most treasured resource. Let's give them a Summer to remember - calm, peaceful and without incident.

NEW YEAR'S EVE  
FIREWORKS

**Welcome in 2021!**  
Viewing anywhere  
along the harbour front!

## Pumpkin Hill fire scare

A few Saturdays ago, the residents of Pumpkin Hill and Te Karo found themselves in the path of a scrub fire that had broken out and was being fanned by high winds. The alarms and sirens rang out across the town as our Fire Brigade raced up to try to contain it. They were joined across the afternoon by fire crews from around the Peninsula and three helicopters. Evacuations were conducted for those in the predicted path of the flames. The air was filled with smoke!

Thankfully this story had a relatively happy ending as the fire was contained over the course of the afternoon by the hard work and skill of the ground and the aerial fire crews. The fire came within metres of a new dwelling being constructed down Sailor's Grave Road, lapped the front deck of a house on Pumpkin Hill, as well as melting the plastic gutters of another!

One Pumpkin Hill resident

described the work of the fire crews as "outstanding". The ground crews were on the spot to dampen down as the fire approached and the helicopters worked non-stop filling and dropping bucket-loads of water to extinguish the blaze, all to great effect. She said, "It makes you so thankful for those in the community who have trained so hard to protect us!"

Disaster averted! The lesson we can take from it is to heed the fire warnings over the summer as things continue to dry out. Take extra care with anything that could ignite the surrounds! Be prepared to react quickly to any emergency. Have your evacuation plan worked out and your kit ready to go!

And a last thought: remember the Tairua Fire Brigade's fundraising collection on Wednesday the 30th and drop a little extra into their buckets this year! Thanks to all of our Fire Brigades!

## Short & Sweet

**Congratulations to Mike King and Trevor Ladd** on receiving TCDC Community Service Awards recently. Two very hard working volunteers in our community who eschew public acclaim! Well done, gentlemen! You both thoroughly deserve this recognition.

**Tairua and Pauanui will** be treated to the annual fireworks display, to usher in the new year, thanks to the generosity of the community making contributions to the cost. This display ranks with the best you will see anywhere in the country and brings in the new year with an almighty bang! It is never too late to contribute to the fireworks fund, drop into either Pauanui or Tairua Information Centre to contribute to ensure we will have another show next year! View anywhere along the harbour front at midnight.

**A group of about 40 assembled** at Tairua Hall on Christmas Day to share the Big Whanau Christmas Lunch, courtesy of Tairua Elim Church. They were treated to a fabulous feast, great company and a beautiful singing item performed by the Ni Vanuatu orchard workers. Thanks to Pastors Nico and Marlene and their team for their hospitality and generosity. This was thoroughly enjoyed by all who attended.

**Make sure you have a wad** of cash at hand as the annual door-to-door collections take place soon. Tairua Fire Brigade is having their collection on Wednesday 30 December, starting at 4pm. Tairua Surf Lifesaving Club is having theirs on Friday 1 January in the early evening. Give generously to both as these organisations are at the forefront of our safety over summer. Collectors carry official identification!

## Short & Sweet

**Don't forget that this is** the time of the year when various bans come into effect. The consumption of alcohol on beaches and public reserves is off the menu. The summer outdoor fire ban is in place and as we have seen is totally warranted in the dry conditions. In the interests of neighbourhood peace the noise ban after 10pm is in effect. If you have your dog out for a walk, it must be on a leash between certain hours and in certain places. Make sure you keep up with these restrictions as control officers are on duty and will follow up complaints from the public.

**Tairua's Ocean Beach can** look safe and inviting but this can be very deceiving. For a safe summer swim, stay between the flags which mark the patrolled areas. Pauanui Beach is also patrolled during the summer. Follow all directions and advice from the surf life saving squads. They are trained to read the conditions and keep us safe. Visiting boaties: Tairua Bar can look pretty unassuming so make sure you check the conditions carefully, wear your life jackets, take the time to look at the online video of crossing the Tairua Bar, register your trip with local Coastguard, and enjoy our maritime environment safely!

**Tairua St John is selling** summer raffle tickets around town - their major fundraising venture where money raised stays with the local station. This year's raffle, "Let's help you see New Zealand" is promoting domestic travel with the first, second and third prizes of travel vouchers. The fourth prize is a dining voucher from Manaia Kitchen and Bar, and the fifth prize is a beautiful recycled swamp kauri coffee table. Tickets are \$5.
