## Keep current, be prepared

Tairua's Community Response Group (CRG), made up of members representing local organisations and community interests, met recently in keeping with their schedule to keep current. Included in the Group, Police, Fire & Emergency NZ, St John, LandSAR and Coastguard, along with representatives from Tairua Residents & Ratepayers Association, Tairua Information Centre, and St Francis Church, they are responsible for coordinating a response in civil emergencies. Constable Dylan Curtin, a CRG rep, reported that this week they will be running a scenario-based exercise together with Civil Defence and other CRGs. This will be the first practice activation of

the Group since responding to the Cyclone Gabrielle weather event. The Group's capabilities have been enhanced since Gabrielle, with Starlink communications, power generators, and a comprehensive plan which accounts for community assets and contacts. The exercise will identify areas to refine, in order to respond effectively to future disasters, building our community's resilience. "A key message we want to share with the community is, 'Be Prepared'. Everyone needs to have a plan to be self-sufficient for at least 72 hours in a disaster," Dylan said. The CRG is doing its bit, let's make sure we do ours by making preparations too.
