## Buy local and win

Thames-Coromandel District Council (TCDC) is promoting a winter "Buy Local" campaign across the Peninsula this year. Backing local business, the Council says, "Every time you choose to buy from a local store, dine at a neighbourhood café or hire a local tradie, you're doing more than just making a purchase – you're investing in your community. They sponsor our sports teams, support our schools and clubs, donate to community causes and create local jobs. When you buy local, you help build a stronger community."

Getting on board with the district campaign, the Tairua Business Association (TBA) is launching its "Buy Local" effort to run over the winter

months, beginning in July. The organisers have come up with a plan to help boost local spending and support the business community.

Shoppers who spend \$30 or more on any transaction at a participating local business will be able to enter fortnightly prize draws worth up to \$250, plus a chance to win a grand prize of up to \$1,000 worth of vouchers, all from local Tairua Business Association members. Look out for the signage indicating a participating business.

Business owners, if you haven't been approached and want to participate in the TBA promotion, please contact Peter Hunt, chairperson@tairua.biz or Matt Juby, finance@tairua.biz

## Short & Sweet

**B**e aware that some changes to TCDC rubbish and recycling fees have taken effect from the 1st of July. Kerbside collection rubbish tags increased to \$8.25 (your old tags can still be used), and there is a new \$5 minimum charge to use weighbridges at the Refuse and Recycling Transfer Station. If you're dropping general waste or green waste that weighs in at less than \$5, you'll be charged the minimum \$5 fee. There are no changes to the dumping fees for 60L bags and 20L bags of rubbish. They stay at \$5 and \$2 respectively.

**T**CDC has voted to join with Tauranga and Western Bay of Plenty councils to form a joint water services delivery organisation that will comply with the new Local Water Done Well legislation and future-proof water services for the District. This option was selected as it provides future affordability for local ratepayers while providing a mechanism to influence the design of the new joint Water Service Organisation. Council staff will now work with Tauranga and Western Bay councils to prepare a commitment agreement and joint implementation plan before reporting back to Council.

**H**ave you thought about donating to Tairua Residents and Ratepayers Association's (TRRA) "Pontoon in the Pepe" project? TRRA has a target of \$5,000. They would love to hear from anyone wanting to make a financial contribution. If you want to know more, are able to help, or would like to donate please get in touch with Jo on 021 0278 318 or Annie on 029 252 3253 or send an email to: [ratepayers.tairua@gmail.com](mailto:ratepayers.tairua@gmail.com)

Answer: A watch

## SNAPPED! Snapshots of our community...

**It is with great regret** that we missed the Troubadour show last week, due to ill health. But, by all accounts, it was writer-director Jennie Turner's "best show yet". Jennie reported that much of the feedback she had received focussed on the wonderful singing from cast members, particularly their harmonising. She puts it down to the "incredible job" done by Gordon Winter as musical director.  
**Thank you Troubadours, "world class"! Photo supplied.**
